You know, best friends last summer, and for about the first 2 days of school, but then, I guess our friendship kind of slipped away. I really think we should start doing things again this summer! Maybe you, Reggie, me and Tom can all go out and have some fun, if ya know what I mean. Sounds like a plan, huh? You and Reggie make the best couple, and I hope and know you guys will last forever! Good luck in everything! Hey Deb, wanna play softball for that coal, handsome hunk of a man, Mr. Frederick Popper? NO WAY! I hate him! Are you going to play softball at all? I'm not! Dear Debs,

Gosh, this year has been so really fun for me because, since well, we got together. I kinda really hope that we stay together forever. I know it will take a lot for my thoughts about you will change. I will love you for as long as you walk this earth. That is weird, I never have felt like I will get sick of you. In fact, I know that I won't ever get tired of you. You are so fun to be with, you always start up my adrenaline glands. I swear I love you so, so, so, very much. Guess what? When we gets married we have to have a bunch of a little cute, little mexican kids. God I love you!
